## **Custom Upright and Grand Piano made to measure or to model specifications**

We can supply protective and transport covers for pianos, grand pianos, and harpsichords in varying qualities and prices.

Delivery times are normally very short.

The covers are made to specifications such as model details, measurements, or a sketch or outline drawing, in different styles and materials.

We will be happy to send you an issue of material samples.

### **Materials:**

- Imitation leather lined with black felt
- Imitation leather and felt, in various color combinations
- Polyamid cloth, black with foam padding
- Canvas, in various colors
- Canvas, extra strong and water resistant

Various types of covers are listed in our cover price list.

The measurements for a large number of pianos and grand pianos are already available with us.

Please get yourself informed about the available models with the help of the enclosed lists.

We are happy to advise you and make a quote, and will also consider special requests.

## **How to order grand piano covers**

### **1. Choose your Grand cover from our standard cover selection list:**

- a) Select the make & model of the Grand piano from the standars selection list.
- b) In cases of more than one design of the same piano model in our selection list (marked with a \*)  
we will send you drawings to clarify which cover you require.

### **2. In the event your piano model does not appear in our list you have the following options:**

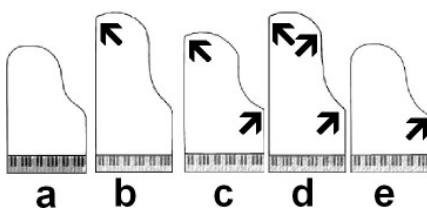

- a) Send us a paper template / rubbing of surfaces A&B of the piano. (see drawing)  
(The cover will be made to your measurements and should fit the piano exactly)
  
- b) Add the measurements of the Grand piano to our relevant drawing depending on the shape of your lid  
**a,b,c,d** or **e**. (see drawing)  
(The cover fits any piano with these measurements and lid shape)
  
- c) You only tell us the length and width oft your Grand piano and the length and shape (**a,b,c,d** or **e**)  
of your lid.  
(This cover is made so that it will fit on to any grand piano of this lengths and width)
